## **CATHOLIC MISSION**

The staff and administration of Saint Francis of Assisi Catholic School welcome you to the school, a community of faith, learning, and peace. Let it be known to all who enter Saint Francis of Assisi Catholic School that Christ is the reason. He is the unseen but ever present teacher in its classes, the model of its staff, the strength of its parents, and the inspiration for its students.

### Student Daily Prayer

I promise to do my best today to be Christ-like and accept responsibility for my words, actions and deeds. With Jesus as my model, I will refrain from anything that can be hurtful to my classmates, but will do my best to be kind, courteous, friendly, respectful and welcoming to everyone I encounter.

“Catholic Education is an expression of the mission entrusted by Jesus to the Church he founded. Through education the Church seeks to prepare its members to proclaim the Good News and to translate this proclamation into action.” *(To Teach as Jesus Did)*

“The educational mission of the Church is an integrated ministry embracing three interlocking dimensions:

1. The message revealed by God which the Church proclaims.
2. Fellowship in the life of the Holy Spirit.
3. Service to the Christian Community and the entire human community.”

*(To Teach as Jesus Did)*

“Catholic Schools are unique expressions of the Church’s effort to achieve the purposes of Catholic Education among the young. They are the most effective means available to the Church for the education of children and young people.” *(Sharing the Light of Faith)*

The mission of Catholic school education in the Diocese of Tucson is the formation of students to be true Christians. Every effort is made to assist the students in securing knowledge and acquiring habits, which will enable them to lead a thorough Christian life. As educators in the Diocese of Tucson, we assume the responsibility to teach as Jesus did as our role in the teaching mission of the Catholic Church. This mission includes student’s spiritual, intellectual, moral, physical, social, and cultural aspects.

## **MISSION STATEMENT**

## **E. Attendance Policies**

Parents are required to call by 9:00 am if their child is absent. The school will call the parent if a child is absent and if a parent has not yet called. This procedure is our way of ensuring that parents are aware that their child is not in school.

## **PROGRAM OVERVIEW**

Saint Francis of Assisi Catholic School Prekindergarten offers a highly academic, yet hands on Christ and child-centered curriculum to teach and explore literacy and numeracy while supporting the developmental needs of a pre-kindergartener. The Saint Francis of Assisi Catholic School Prekindergarten staff supports and partners with parents in their mission to nurture the Catholic faith and academic readiness of their child.

Academics aside, a solid prekindergarten program puts just as much emphasis in its social teachings as it does in its academic teachings. Saint Francis of Assisi Catholic School Prekindergarten offers this emphasis in two ways. First, and foremost are our Catholic teachings through the Gospel Values. As our prekindergarten aligns with Saint Francis of Assisi Catholic School K-8th grade's philosophy of a Catholic School's Gospel Values, we teach and model to our student body to be a community of faith, knowledge and service. In that spirit, we bring this powerful message down to the prekindergarten level with *Stories of God's Love*, a Bible based curriculum that teaches God's message and scripture through stories that are relevant to the everyday life of a preschool aged child. God's message and His teachings will be taught and modeled through daily prayer: morning prayer, prayer at snacks and meals, and the end of the school day. The prayers that are taught and modeled for Saint Francis of Assisi Catholic School Prekindergarten students are: Angel of God, Hail Mary, Our Father, and Grace Before Meals. Students will also gain an understanding of the Catholic Church's traditions, symbols, and sacraments. The second emphasis will be placed on character building, peer relationships, social skills and problem solving with our *Second Step* curriculum. This program teaches everyday social situations with the use of puppets, roll plays and stories. These stories are relevant to complexity of a preschooler's day. Communication skills, frustration tolerance, acceptance of others, turn taking and fairness are challenges all preschoolers face daily.

Students explore literacy in the areas of English/language arts with the *Engage NY* curriculum. This curriculum is highly engaging while providing students with early English and language arts readiness skills. The curriculum is taught in thematic units where stories, both familiar and new, are told, retold and acted out in art, dramatic play, blocks, writing, music, movement, science, social studies, child initiated writing, and games.

Students will explore numeracy in the area of math. Math is a very complex curriculum at the preschool level. Aside from the basics of numbers and shapes, math concepts are taught and explored through music, movement, trial and error, and hands on play. Our math curriculum, *Engage NY*, will provide a sound foundation in math concepts to prepare children for a strong understanding of numerals, spatial awareness, shapes, quantities, and groupings.

The whole child is our focus, therefore, our program provides daily gross motor and fine motor activities. Whether a child is playing on the playground, water table, sand table, playdough, thematic sensory

exploration or working on their coloring and writing skills, each and every student has the opportunity for movement, experimentation, exploration, and discovery.

## **A. Report Cards**

Students will be assessed on developmental milestones which are aligned with both the *Arizona Early Learning Standards* along with the benchmarks for the *Engage NY* curriculum. Items on the report card that are shaded are not in the zone of developmental mastery at that time and therefore, are not assessed. Report cards will be sent home quarterly. A \$2 fee will be paid to the office for a lost report card.

## **B. Conferences**

All students and parents will be required to attend a conference in the fall and spring. Additional conferences are available upon request of parents or teachers. The fall conference will address academic goals and benchmarks, along with developmental and emotional adjustments to the prekindergarten year. Spring conferences will be looking ahead to kindergarten readiness and a scope and sequence of the mastery of developmental skills throughout the year.

## **C. Field Trips**

Field trips provide a learning experience with the purpose of expanding students' insight into a particular curricular concept. Written notice of a field trip will be given to parents in advance. Parents/guardians must sign and return a permission form by the due date indicated on the permission form in order for your child to attend the field trip. Phone calls in lieu of the permission slip will not be accepted. Saint Francis of Assisi Catholic School Prekindergarten and its staff do not provide transportation for its students, therefore,

Volunteer field trip drivers must:

- be at least 25 years of age or older
- have proof of current insurance
- a copy of their driver's license
- a copy of their vehicle registration
- a driving record check and list of moving violations and accidents
- must be in compliance with the Diocese of Tucson Safe Environment requirement, including fingerprint and criminal background, and up to date Safe Environment Program
- vehicles must have seat belts for each student and carseats

This information must be on file in the school office. Drivers must be in compliance with the Diocese of Tucson Safe Environment requirement, including fingerprint background clearance, and current First Aid/CPR certification.

## HEALTH AND SAFETY

### A. Open Door Policy and Parent Involvement

Saint Francis of Assisi Catholic School Prekindergarten has an open door policy for parents whose children are registered at Saint Francis of Assisi Catholic School Prekindergarten and are welcome anytime. Parents are asked to enter the campus through the office as all comings and goings are recorded. Upon arrival, all visitors must check in at the front office to obtain a pass. Visitors must check out at the office when leaving campus. Anyone without a pass will be asked to go to the office and check in. Parents are welcome at any time to volunteer in their child's classroom. The prekindergarten class will participate in thematic parties throughout the year and parent involvement is encouraged.

### B. Arrival and Dismissal Procedures

Parents will park in the west parking lot to walk their child to the classroom. Students will be welcomed to enter the classroom at 7:30 am. Any student who arrives before 8:00 am will be required to bring a breakfast from home. In the event a child forgets a breakfast, cereal with milk and fruit will be provided. A parent/guardian/authorized caregiver must accompany the child to the room and sign the child in for the day. A signature must include the initial of the first name and full last name of the parent/guardian/caregiver per Arizona Code, R9-5-306. Students will be dismissed at either 11:30 (half day) or 3:15 (full day) when the teacher opens the classroom door. Parent/guardian/authorized caregiver must sign the child out following the same signature requirements as sign in. If a child needs to be dismissed before the designated dismissal time, the parent/guardian/caregiver may enter the room to pick up the child and sign them out. If a child is not being picked up by a parent/guardian, written authorization needs to be provided stating the name of the authorized caregiver. The authorized caregiver MUST bring picture identification for verification before a child

may be released. Older siblings may not sign out prekindergarten students. Older students in grades K-8 may be picked up under the ramada **after** your pre-kindergartner is signed out.

### **C. Illness**

If your child is ill, please keep the child at home. If your child becomes ill at school, we will call you immediately. We will call an authorized person on the emergency contact list in the event a parent/guardian is unable to be reached. Your child will need to be picked up within one hour of a parent/guardian being contacted. If your child is sent home from school for illness or fever, s/he may not return for 24 hours. Further, a child must be fever free for 24 hours before returning to school. If your child returns to school before the 24 hour period, a doctor's note is required. If your child was sent home with an infectious illness, a doctor's note is required upon returning to school.

### **D. Emergency Procedures**

In the event of a serious injury, if we cannot reach a parent/guardian/authorized caregiver, a staff member of Saint Francis of Assisi Catholic School Prekindergarten will accompany the child on an emergency vehicle if necessary.

### **E. Medications**

To ensure that medications are properly administered, the following guidelines will be followed:

- A Medication Authorization Form is available in the front office and must be filled out for both over the counter and prescription medications, to include sunscreen.
- The medication must be provided with a medication request with the child's first and last name, name of the medication, prescription number, instructions for administration, starting and ending dates of dosage periods, times and frequency of administration, reason for medication and the date of authorization.
- Only designated staff will dispense both prescription and nonprescription medications. Ms. Ochoa, the Saint Francis of Assisi Catholic School designated medication administrator, will dispense medications to students while chaperoned by a prekindergarten classroom teacher.

### **MEALS**

Breakfast, snack and lunch menus will follow the Arizona Department of Health's Table of Meal Pattern Requirements, R9-5-508.

  - Parents and/or guardians will provide milk in addition to the scheduled snack.

All personal nap items will be sent home on Fridays to be washed and returned to school the following Monday.

## **DISCIPLINE POLICY**

Saint Francis of Assisi Catholic School's mission, Student Learning Expectations, and the Gospel Values help to inform and guide students to instill self-discipline. By following the Gospel Values, our young students will grow in faith and will learn to implement these values in everything they do – both in and out of school. These Gospel Values will become part of who they are and will stay with them throughout the rest of their lives, giving them guidance and strength through life's journey.

Saint Francis of Assisi Catholic School Prekindergarten practices positive reinforcement. Positive reinforcement and rewards are used schoolwide as part of the classroom management. The rewards system will include whole class, small group, and individual. Positive reinforcement for all will vary between edibles, tangibles, activities, social, and tokens.

Student of the Month awards are earned by students who practice the Student Learning Expectations. Every class will select a Student of the Month for each month of school. In the first semester selected students will be recognized by receiving a certificate in class before the end of the day. In the second semester, once students begin to attend Mass selected students will receive a certificate in the church after Mass.

"Paw Print" stickers are earned by students who follow schoolwide procedures and learning expectations. Paw Prints are stickers with a wildcat paw print along with the Student Learning Expectation that the student was following.

Our goal is for all students to be kind, courteous and friendly learners. This color system provides a visual reminder to each student to monitor their progress in this area in the most efficient way.

Color	Description
Purple	Consistently Follows Behavior Expectations
Blue	Role Model

Green	Ready to Learn
Yellow	Warning
Orange	Timeout (3 minutes)
Red	Time Out with Teacher Interaction

All students begin each day with their name on green. Those students who practice the Gospel Values and SLEs will move up the scale. A student will receive two warnings (whole group then individual) before they move down the chart. A daily behavior calendar will note your child’s behavior for the day. A parent will be notified in the event that a student has earned orange or red anytime during the day. Please initial/sign and return any notes sent home back to the following school day. In the event of a disciplinary situation where redirection is unsuccessful, a child may sit in time out for no more than 3 minutes. In the event that the child is not ready to return, the child may stay in time out up to 10 minutes, however a staff member will provide interaction with that child during the 10 minute period. If behaviors continue and become routine, parents will be contacted for a team plan to be put in place consisting of the director, teacher, and parents.

\*At no time does Saint Francis of Assisi Catholic School Prekindergarten use corporal punishment.
