Why enroll at St. Francis?

By choosing to send your child to St. Francis School, you are providing them with a unique opportunity to grow in Christ while performing at a high academic level. We offer smaller class sizes and teachers with a long tenure who view Catholic Schools as part of their personal mission and ministry. We, along with parental support, educate our students to grow in the image and likeness of God, so they may become confident leaders in service to others as well as beacons of hope for all.
