Business Ads....

If you are placing a Business Ad in our yearbook make sure to include the address, phone number and other information that will highlight your company as a supporter of St. Francis School.

Make sure pictures and words match the size of your ad. Here are some ideas...

- Personal message
 - A sentimental message for your child telling them how proud you are of them and why. You may include special memories, inside jokes and nicknames.
- Photos
 - Baby photos, sports photos, photos with siblings, pets, grandparents and friends, any cute and funny photos.
- Meaningful quotes/Verses
 - A quote close to your child's heart. Meaningful Bible verses are nice.

Check spelling and grammar of your ad before sending it in.

Please return this portion with a check for your order. **8th Grade - Due by February 12th to guarantee a spot in the yearbook. All other grades are due by February 19th. Deadline for all ads is February 19th.**
