

# TOGETHER, WE CAN END ALZHEIMER'S.

## VOLUNTEERS WANTED!

The Alzheimer's Association Walk to End Alzheimer's® is the world's largest event to raise awareness and funds for Alzheimer's care, support and research. Our success starts with our volunteers — people like you who support the fight against the disease and want to become more involved.

As a volunteer, you can help make Walk to End Alzheimer's a safe, meaningful community event while getting to know others who share your passion for the cause. You'll network with fellow volunteers and committee members, have fun bringing the mission of the Alzheimer's Association® to life and feel the satisfaction of creating a successful event. Join us!

*All local events will implement safety protocols including physical distancing, contactless registration, hand sanitizing stations and more. Per CDC guidelines around crowded outdoor settings, we ask that all Walk attendees be vaccinated against COVID-19 or wear a mask when in an overcrowded area. We will continue to closely monitor CDC, state and local guidelines to ensure Walk events adhere to recommendations and are safe for attendees.*
