Saint Francis of Assisi Catholic School does not discriminate in the administration of its policies, programs, and admissions based on race, color, national origin, gender, or sexuality. For record purposes, official records and correspondences will reflect the student's legal name and gender. Students shall not be denied admission to a Catholic school because of a disability unless this disability seriously impairs the student's ability to successfully complete the school's academic program, or unless the school cannot provide sufficient care or make reasonable accommodations for the student. (Handbook of School Policies & Procedures, Diocese of Tucson, 3.1 Admission)

- Copy of a birth certificate
  - Pre-kindergarten students must be 4 years old prior to September 1st.
- A completed registration form
- All Catholic students must also provide a copy of their sacramental certificates if applicable.
- A current immunization record
  - Copy of immunization card or document from the child's health care provider or

To withdraw from Saint Francis of Assisi Catholic School pre-kindergarten during the school year:

- Set up an appointment with the director
- Make sure all tuition and other payments are current

Students withdrawing from Saint Francis of Assisi Catholic Pre-school will be considered for readmission for the next school year upon principal and pastor approval and if enrollment permits.

## Student Withdrawal on Grounds of Improper Behavior by Parent/Guardian

Typically, a child is not to be deprived of a Catholic education or otherwise penalized for actions of parents/guardians. However, parents/guardians may so significantly reduce the school's ability to effectively serve its students that the parents/guardians may be requested to remove their child/children from the school for any of the following reasons:

- Refusal to cooperate with school personnel
- Refusal to adhere to the Saint Francis of Assisi Catholic School or Diocesan policies and regulations
- Interference in matters of school administration or discipline
- Insults to or abuse of any staff or administrator at any time on school premises, or at some place if the staff or administrator is required to be present in connection with assigned school activities.
- In the event that the parents/guardians have caused a serious disruption, the principal may restrict parents/guardians from being present on the school premises or attending school activities.

In such cases, reasonable effort to elicit minimum cooperation from parents/guardians should be made and documented. If such effort does not correct the situation, then, after consultation with the pastor, the principal may recommend to the parents/guardians that they withdraw their child/children. It is recommended that prior to any such recommendation, the principal should also consult with, and seek the advice of, the diocesan Superintendent of Catholic Schools. Documentation signed by the principal and parents/guardians, as well as any other information or evidence of consultation with the parents on the matter should be retained in the student's cumulative file. If the parent/guardians refuse to accept the recommended withdrawal, the procedures for expulsion as stated in this handbook.

Parents have certain responsibilities that they are required to fulfill as part of the Saint Francis of Assisi Catholic School Community.

## **A. Faith Formation**

Parents are the first teachers of their children in the area of faith. Parents give guidance to their children by living their Catholic faith. Presence at weekend Mass, as a family, should be the foundation of their relationship with God and each other. Parents are also encouraged to help teach and model God's message through scripture and prayers (grade level prayers can be found on Saint Francis of Assisi Catholic School website).

If a family's school financial account is delinquent, it is the policy of Saint Francis of Assisi Catholic School:

- Failure to meet the outline of the payment plan could result in the student not being admitted into the start of the new quarter.

2. Parent/Guardian-Teacher-Administration: If the conflict is not resolved in step one then the administration will be asked to intervene. If a mutual understanding is reached, the conflict has been resolved and no further action is required.
3. Parent/Guardian-Teacher-Administration-Pastor: Conflicts not resolved at step two may require step three. The principal will set up this meeting. The pastor, as canonical administrator, oversees the operation of the parish school. The pastor always consults with the principal before seeing anyone concerning school matters.

## **PROGRAM OVERVIEW**

Saint Francis of Assisi Catholic School Pre-kindergarten offers a highly academic, yet hands on Christ and child-centered curriculum to teach and explore literacy and numeracy while supporting the developmental needs of a pre-kindergartener. The Saint Francis of Assisi Catholic School pre-kindergarten staff supports and partners with parents in their mission to nurture the Catholic faith and academic readiness of their child.

Academics aside, a solid pre-kindergarten program puts just as much emphasis in its social teachings as it does in its academic teachings. Saint Francis of Assisi Catholic School pre-kindergarten offers this emphasis in two ways. First, and foremost are our Catholic teachings through the Gospel Values. As our pre-kindergarten aligns with Saint Francis of Assisi Catholic School K-8th grade's philosophy of a Catholic School's Gospel Values, we teach and model to our student body to be a community of faith, knowledge and service. In that spirit, we bring this powerful message down to the pre-kindergarten level with *Stories of God's Love*, a Bible based curriculum that teaches God's message and scripture through

stories that are relevant to the everyday life of a preschool aged child. God's message and His teachings will be taught and modeled through daily prayer: morning prayer, prayer at snacks and meals, and the end of the school day. The prayers that are taught and modeled for Saint Francis of Assisi Catholic School pre-kindergarten students are: Angel of God, Hail Mary, Our Father, and Grace Before Meals. Students will also gain an understanding of the Catholic Church's traditions, symbols, and sacraments. The second emphasis will be placed on character building, peer relationships, social skills and problem solving with our *Second Step* curriculum. This program teaches everyday social situations with the use of puppets, role plays and stories. These stories are relevant to the complexity of a preschooler's day. Communication skills, frustration tolerance, acceptance of others, turn taking and fairness are challenges all preschoolers face daily.

Students explore literacy in the areas of English/language arts with the *Engage NY* curriculum. This curriculum is highly engaging while providing students with early English and language arts readiness skills. The curriculum is taught in thematic units where stories, both familiar and new, are told, retold and acted out in art, dramatic play, blocks, writing, music, movement, science, social studies, child initiated writing, and games.

Students will explore numeracy in the area of math. Math is a very complex curriculum at the preschool level. Aside from the basics of numbers and shapes, math concepts are taught and explored through music, movement, trial and error, and hands on play. Our math curriculum, *Engage NY*, will provide a sound foundation in math concepts to prepare children for a strong understanding of numerals, spatial awareness, shapes, quantities, and groupings.

The science curriculum STEMScopes provides exploratory hands-on learning that promotes inquiry and excitement as your preschooler engages in real-world scientific connections.

The whole child is our focus, therefore, our program provides daily gross motor and fine motor activities. Whether a child is playing on the playground, water table, sand table, playdough, thematic sensory exploration or working on their coloring and writing skills, each and every student has the opportunity for movement, experimentation, exploration, and discovery.

## **A. School Mass**

Saint Francis of Assisi Catholic Pre-kindergarten students attend Mass weekly at 9 am (typically on Friday and on Holy Days of Obligation) beginning in the month of October. Parents are encouraged to attend. The expectations at Mass for students and parents:

- Walking in an orderly manner to prepare for Mass
- Display reverence as we pass the adoration Chapel and enter the church
- Be respectful, attentive, and active participants at Mass
- Leave the church in the same respectful manner

In order to maintain the learning experience of church doctrine, we ask the parents/guardians to sit behind the student body.

## B. Report Cards

Students will be assessed on developmental milestones which are aligned with both the *Arizona Early Learning Standards* along with the benchmarks for the *Engage NY* curriculum. Items on the report card that are shaded are not in the zone of developmental mastery at that time and therefore, are not assessed. Report cards will be sent home quarterly. **A \$2 fee will be paid to the office for a lost report card.**

Marking Code	Significance
4	Student shows excellent behavior and mastery of the skills and concepts covered in this area.
3	Student shows appropriate behavior and growth toward mastery of the skills covered in this area.
2	Student does not show appropriate behavior or growth toward mastery of the skills covered in this area.
1	Student does not demonstrate an understanding of skill and needs additional time and support.

## C. Conferences

All students and parents will be required to attend quarterly conferences. The conferences will address academic goals and benchmarks, along with developmental and emotional adjustments to the pre-kindergarten year. Conferences will also address any behavioral and/or academic concerns along with creating a plan of action to support the student. Parents can request a conference at any time throughout the school year.

## E. Field Trips

Saint Francis of Assisi Catholic School Pre-kindergarten does not participate in field trips.

## F. Transportation Policy

Any injuries or health concerns will be addressed and treated. For major injuries and health concerns, parents will be contacted.

In the absence of definite symptoms, the student may be treated and sent back to class. If s/he returns later with the same health concern, parents will be contacted. A few guidelines (See Center for Disease Control- <http://www.cdc.gov/flu/school/guidance.htm>) for sending a student home due to illness are:

- persistent fever (temperature higher than 100.4 degrees Fahrenheit when taken by mouth);
- severe sore throat that lasts more than 48 hours, especially when accompanied by a fever;

- large amounts of discolored nasal discharge;
- severe ear pain;

- vomiting;
- diarrhea;
- severe headache, especially with a fever; and
- pink eye.

When students are ill, only the office staff will call parents. The parent/guardian of the ill student must pick up their child within an hour of being notified.

The American Academy of Pediatrics, ( <http://www.aappublications.org/content/31/9/43.6>) recommends that health office personnel advise parent/guardian to keep their child home when exhibiting the following symptoms:

- persistent fever (temperature higher than 100.4 degrees Fahrenheit when taken by mouth);
- severe sore throat that lasts more than 48 hours, especially when accompanied by a fever;
- a significant rash, particularly when other symptoms are present;
- large amounts of discolored nasal discharge;
- severe ear pain;

- an uncontrolled cough;

**Children may return to school after symptoms are gone for at least 24 hours. For fever, students may return when free of fever for 24 hours without the use of fever reducers such as acetaminophen.**

If your child was sent home with an infectious illness, a doctor's note is required upon returning to school.

## **E. Emergency Procedures**

In the event of a serious injury, if we cannot reach a parent/guardian/authorized caregiver, a staff member of Saint Francis of Assisi Catholic School pre-kindergarten will accompany the child in an emergency vehicle if necessary.

## **F. Medications**

The Medication Authorization form applies to both prescription and nonprescription medications, to include sunscreen.
- The medication must be provided with a medication request with the child's first and last name, name of the medication, prescription number, dosage and instructions for administration, starting and ending dates of dosage periods, times and frequency of administration, reason for medication and the date of authorization.
- A parent/guardian must provide the school with **pharmacy-labeled containers** that hold the appropriate medication. When providing an Epinephrine Injection, Auto Injector kit, a full kit is required with two Epinephrine Auto Injectors.
- No more than one month's supply of medication may be kept for any student who receives medication on a regular basis.

**DISCIPLINE POLICY**

Saint Francis of Assisi Catholic School's Pre-kindergarten mission, Student Learning Expectations, the Gospel Values, I Promise Prayer, and Circle of Grace help students grow into a well-rounded faithful Catholic. By following these expectations, our students will grow in the image and likeness of God and will learn to live these values in everything they do – both in and out of school.

Positive reinforcement and rewards are used in pre-kindergarten as part of the classroom management. The rewards system will include the whole class, small group, and individual.

Student of the Month awards are earned by students who practice the Gospel Values and the Student Learning Expectations. Every class will select a Student of the Month for each month of school. In the first quarter, the pre-kindergarten student of the month will be recognized in class by receiving a certificate and t-shirt. In the second quarter, pre-kindergarten students will begin to receive the certificate and t-shirt during the school Mass on Friday.

"Paw Print" stickers are earned by students who follow schoolwide procedures and learning expectations. Paw Prints are stickers with a wildcat paw print along with the Student Learning Expectation that the student was following.

The first weeks of school will greatly focus on our independence, classroom rules, and friendships. Our pre-kindergarteners will follow a color coded behavior system. Our goal is for all students to be kind, courteous and friendly learners. This color system provides a visual reminder to each student to monitor their progress in this area in the most efficient way.

All students begin each day with their name on green. Those students who practice the Gospel Values and SLEs will move up the scale. A student will receive two warnings (whole group then individual) before they move down the chart. A daily behavior calendar will note your child's behavior for the day. A parent will be notified in the event that a student has earned orange or red anytime during the day. Please initial/sign and return any notes sent

home back to the following school day. In the event of a disciplinary situation where redirection is unsuccessful, a child may sit in time out for no more than 3 minutes. In the event that the child is not ready to return, the child may stay in time out up to 10 minutes, however a staff member will provide interaction with that child during the 10 minute period. If behaviors continue and become routine, parents will be contacted for a team plan to be put in place consisting of the director, teacher, and parents. If it is determined that the student is not meeting the plan's behavioral expectations, a probation contract will be created and put in place. If the probation contract is not met by the student, the student will be withdrawn from Saint Francis of Assisi Catholic School.

<b>Color</b>	<b>Description</b>

To be a member of the commission one must have children in the school, are alumni of the school, or are parishioners with a devoted interest toward the continuing growth of the school.

#### **Advisory Council Nature and Function**

This advisory council is a body for advising on policies, regulations, and rules in all operational aspects of the Parish School at St. Francis of Assisi Parish in Yuma, Arizona in adherence with the intent and spirit of the policies laid down by the appropriate Diocesan councils.

The establishment of policy is accomplished through the activity of the council. The council is composed of the administrative team (Pastor and Principal) and the members. When the council meets (Administrative Team and Members) and agrees on a policy matter, the decision is effective and binding on all as long as the local policy is not in conflict with Diocesan policy.

Governance is divided into two parts, policy, and administrations. The council's responsibilities are in advising on policy matters. The council is not responsible for administration or details of administration. Administration is the responsibility of the administrative team (Pastor & Principal).

The advisory council is consultative in the following sense: The members cannot act apart from the administration team and cannot make decisions binding for the Parish educational program without the approval of the administration team.
